## **Kendrick & Dewi (Indonesia)**

High Quality & Affordable Souvenir. If you're looking for a high quality souvenir but still affordable, look for no other but L'estudio! :) Moreover, Pauline from L'estudio was really kind, accommodating our needs, and easy to work with. In fact, she was really patient when I kept changing the box design. Haha! Thank you very much, Lestudio! :)

## **Jack L & Linda (Australia)**

We express our sincere gratitude to Pauline for providing us with the beautiful L'estudio Card Holder gift for our wedding guests in Sydney, Australia. Thanks for great service.

## **Nur S (Singapore)**

Pauline has been really helpful in advising and giving us some tips for our wedding door gift. I was very fickle minded in which type of door gift to choose and which color because they have pretty material colors to choose from. Overall experience has been great! Shipping was really fast received within 5 days? quality of the bag is good too for the price. highly recommended! with more budget, you can opt for premium material but i chose normal material as i was on a budget. stitching was well done too.
